

the Bukit Timah Greenway

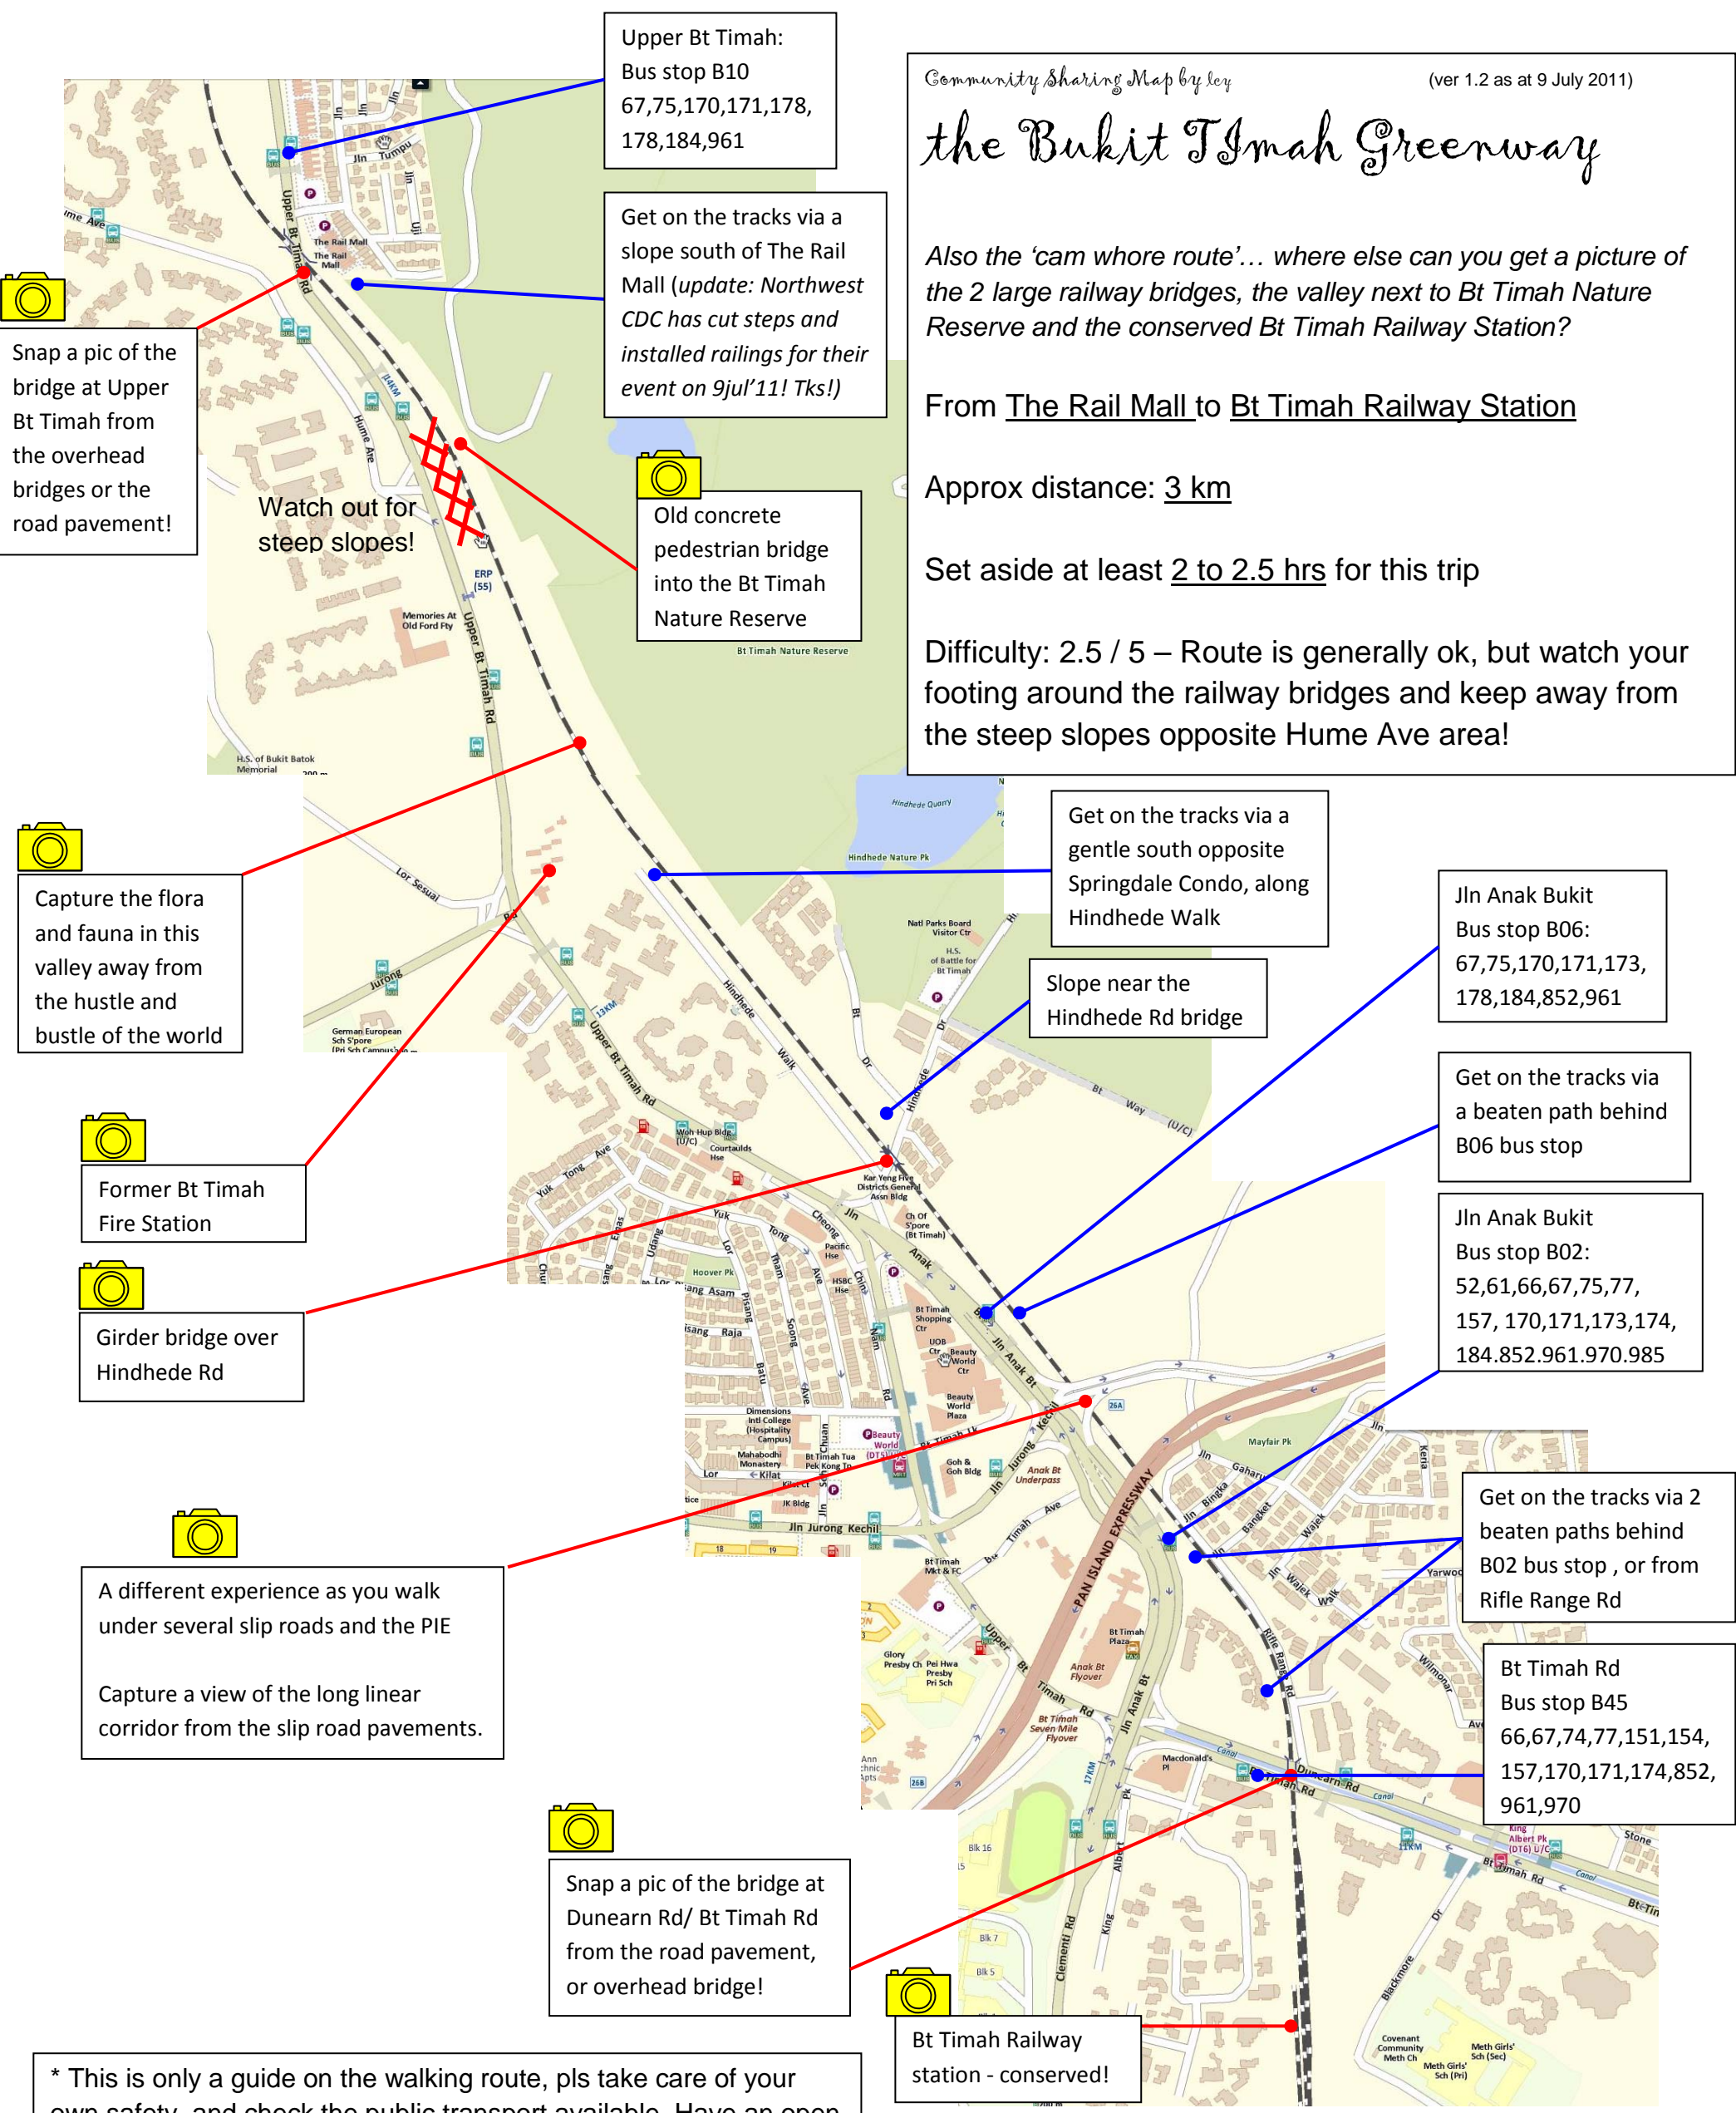

Also the 'cam whore route'... where else can you get a picture of the 2 large railway bridges, the valley next to Bt Timah Nature Reserve and the conserved Bt Timah Railway Station?

From The Rail Mall to Bt Timah Railway Station

Approx distance: 3 km

Set aside at least 2 to 2.5 hrs for this trip

Difficulty: 2.5 / 5 – Route is generally ok, but watch your footing around the railway bridges and keep away from the steep slopes opposite Hume Ave area!

Upper Bt Timah:
Bus stop B10
67,75,170,171,178,
178,184,961

Get on the tracks via a slope south of The Rail Mall (update: Northwest CDC has cut steps and installed railings for their event on 9jul'11! Tks!)

Watch out for steep slopes!

Snap a pic of the bridge at Upper Bt Timah from the overhead bridges or the road pavement!

Old concrete pedestrian bridge into the Bt Timah Nature Reserve

Capture the flora and fauna in this valley away from the hustle and bustle of the world

Former Bt Timah Fire Station

Girder bridge over Hindhede Rd

A different experience as you walk under several slip roads and the PIE

Capture a view of the long linear corridor from the slip road pavements.

Snap a pic of the bridge at Dunearn Rd/ Bt Timah Rd from the road pavement, or overhead bridge!

* This is only a guide on the walking route, pls take care of your own safety, and check the public transport available. Have an open mind, and you might discover more things than shown here!
